This note must be retained on all duplicate copies that you may make.

Satan is an Invader and a Scalp-Hunter, and he has been busy collecting scalps through all the millennia of Earth. He is an abominable monster who has left a trail of blood everywhere he goes, and he has traveled all over the world in search of victims. The trails of the Scalp-Hunter are all soaked with blood, because millions of humans never even recognized the Truth— never saw that Satan was their real enemy.

Satan has already collected millions of scalps from his victims during his worldwide assaults on humanity, and the souls of these victims afterward become his trophies in Hell. He's collected quite a few scalps from the Native American tribes too, and in fact he seems to seek the destruction of entire tribes.

Satan is also a Tyrant, and this is a reality which leads us to a rather interesting question: If the Colonists who immigrated to the United States were so greatly concerned by their having to submit to the tyranny of the King of England, then why didn't they make a greater effort to cast off the Tyranny of Satan—who has never yet been cast down from his position of power. Even today, Satan is the real Tyrant of the Americas, and of all the Earth. He is an arrogant usurper of power and authority, a villain who desires control over all the Earth.

Satan is an Invader and an Occupier, and he is the real Tyrant in this country, as in all nations of the Earth. Satan is the Tyrant whom the Colonial Immigrants were never quite able to cast down from power. He is the Evil One, the Ruler of

this Earth, the Tyrant that Native Americans should be trying to cast down from power... as should all the Immigrant Americans as well!

Satan has sought to conquer and destroy all the nations of the Earth, just as he has sought to conquer and annihilate the First Nations of the Americas.

He gains many converts for his cause, always teaching them his religion of destruction and then sending them out to do evil works in his name.

Think of the Red Lake Indian Reservation and the tragedy of the school-shooting that there killed 8 Native Americans: 2 adults, 5 students, and the young berserker himself. These

were killed when attacked inside the Red Lake High School on March 21, 2005.

But a total of ten deaths must be attributed to the same shooter. The other two were his own 58-years-old grandfather, and his grandfather's 32-years-old girlfriend, whom he had shot to death prior to his invasion of the school.

Do you remember how the young gunman, a Native American boy named Jeff Weise, had told people on the internet that he was a Native American who had become a modern-day Nazi and a great admirer of Hitler?

Jeff Weise maintained that he was "pro-Nazi" and had become an advocate of Satan's religion, which is a religion of destruction. He posted messages on the internet in which he

assumed the two user names "NativeNazi" and "Todesengel," the latter of which means "Angel of Death" in German.

His messages included the following: "I stumbled across the site in my study of the Third Reich as well as Nazism," says a March 2004 post. "I guess I've always carried a natural admiration for Hitler and his ideals, and his courage to take on larger nations."

And this: "As a result of cultural dominance and interracial mixing, there is barely any full-blooded Natives left. Where I live, less than 1 percent of all the people on the reservation can speak their own language."

And this one: "Under a National Socialist government, things for us would improve vastly," it said. "That is why I am

pro-Nazi. It's hard though, being a Native American National Socialist; people are so misinformed, ignorant, and closed-minded, [that] it makes your life a living hell."

Jeff Weise had become an advocate of Naziism, which is just one branch of Satan's religion of destruction... a religion that devastates all the world, doing massive damage to the entire Earth.

Satan taught his religion of destruction to Darwin, Nietzsche, Hitler, and the Nazis of World War II, who then became great admirers of Satan's way. Satan even persuaded them to set up Hitler as a sort of trial-run antichrist over all the people of Germany.

Satan taught his religion of destruction also through Darwin for the re-education of Karl Marx, Lenin, Stalin, and for the training of all the Marxist Communists of the U.S.S.R. and Communist China. These nations also carried out massive destruction in the name of Satan's religion, devastating a great many countries that fell under their influence.

Satan has also had a shocking degree of success, so far, in devastating the tribes of the Native Americans.

It's true that Satan has done much injury to the Native American tribes of the U.S., and he has left the Native American people feeling victimized and discouraged. They feel that much of their population has been annihilated, and much of it has vanished through intermarriage with invaders. Of those who remain on the reservations, or those who remain

fully Native, there are some who feel so discouraged and abused that they have succumbed to the vice of alcoholism. The suicide rate is supposed to be disproportionately high among Native Americans.

The Native American men don't feel much like warriors anymore. Why is that? Have they accepted defeat at the hands of Satan? Are they willing to let the devils of Hell trample them in the dust?

The biggest problem in the Native American Indian tribes, I believe, is that the Native American warriors have never directed their attention to the Real Enemy. They have never tried to fight back against Satan and all of his vast army of demons!

This fact becomes markedly evident in the fact that, after centuries of exposure to the Word of God, only 5% of the people in the Native American population claim to be believers in the Word.

A shocking 95% of the Native American population in the U.S. does not believe in the Word of God, so they have no weapon with which to fight against the Devil and his army of demons!

The Native American people need to get themselves armed for battle, and then they need to start fighting against their real foe! Their enemy is also the Enemy of God, and one can only fight against him with a sharp weapon that is called the Word of God!

To become virtuous warriors, Native Americans must start to fight back against Satan, after far too many years of inactivity and lethargy. Lethargy has been lethal for the Native American tribes. The time has come for Native Americans to become warriors once again, fighting courageously for Truth and the Righteousness of Christ.

You see Jesus Christ is the Son of God, and He is also the Word of God, Who created this Earth of ours and all the wide Universe. He could do that because He is also God The Son, one of Three Persons in the Divine Trinity of God.

But more than that, Jesus Christ is also the Word of God, the only weapon that any human being can use in battle against Satan, the Prince of Darkness!

Jesus Christ is the Word of God and He is also the Light of the World, so when he arms you with a sword to use in your battle against Satan, you will be happily surprised by the power of the sword that He has provided for you.

It is a Sword of Light, and it is very effective in dealing with all the devils and demons that surround you on this Earth of ours.

When the Sword of Christ's Light is in your hands, you must learn to use it well, so that you can handle all the combat that will be required of you!

With this Sword of Light, which is also called the Word of God, you can become a Warrior of Christ.

With this Sword of Light, you can defeat all the demons and devils who seek to destroy your life, your family, and even your very tribe!

The devils of Satan are already running rampant all over the U.S., destroying everything they can get their hands on.

That's not so surprising, because Jesus warned us in advance that our world would get worse and worse until the time of His Return, a time when He descends from the sky to rescue His followers from the chaotic and immoral conditions of the Earth.

In fact, Jesus told us, more than two thousand years ahead of time, that the conditions of the Earth at the time of His Return would be a lot like those in the days of Noah, before

God's Flood of water destroyed the population of the world—all that were living, except for the small family of Noah.

Jesus said that conditions in our world would then be awful and reprehensible, saying that it would be a time which would be a lot like the days of Sodom and Gomorrah, two ancient cities of the Middle East that God had destroyed with fire from Heaven. The two cities called Sodom and Gomorrah were guilty of abominable sins and disgusting immorality, including sexual perversions, blasphemy, and extreme wickedness. So God decided to just wipe those two cities off the face of the Earth.

Jesus said that the conditions of the Earth at the time of His Return from the sky would be like those which had brought down God's Judgment in the past. He said that it would be a

terrible time, a time of distress greater than any that the world had ever seen before. He said it would be a time of distress that had never been equaled in all the prior history of the Earth.

I believe that the time of such distress is already upon the Earth, even now, and the time of Christ's Return, the Day of Judgement, is at hand.

The Lord Christ will soon be returning to the Earth, coming down from the sky in a glorious descent that will capture the attention of all eyes everywhere— because every human on Earth will see the moment of His Return!

It will be the most colossal and revolutionary event in all of the Earth's history, and we need to get ready for it. But in the

meantime, God The Son requires us that we battle bravely against Satan and the hordes of demons who are seeking to take control of the Earth!

Floyd Jourdain, chairman of the Red Lake Ojibwa Nation, said of the Red Lake High School shooting tragedy that, "Our community is devastated by this event. We have never seen anything like this in the history of our tribe. Without a doubt, these are some of the darkest days for our people."

For the people of America, these current days are some of the darkest ever seen in the history of our nation. Indeed, they are some of the darkest ever seen in the history of the world.

We can only fight against this monstrous Darkness with the Sword of Light that Christ provides for us. Only with God's help

and assistance can we resist the army of Satan, preventing him from bringing utter devastation to our land.

Although many of the Colonial immigrants came to America as Christian believers, most of their descendants are not so faithful, having lost, to a large extent, the vital fire of God's Holy Spirit, and these people have somehow failed to battle fiercely against the great Enemy of God, whose name is Satan.

The Christian churches in the American Colonies helped greatly in the mobilization of forces that allowed the initiation of the American Revolutionary War... which folks back home in England at first referred to as simply "that Presbyterian rebellion." They were successful in gaining for themselves a

freedom from the King of England, whom they considered to be a tyrant.

The descendants of the Christian immigrants to America have not been so successful, however, in throwing down Satan, a New Tyrant who is taking control over much of our environment as we live our lives here in the United States. We need to fight back against this Invader who has occupied our land with his army of devils. We need to fight courageously against this bloody-handed Tyrant.

The Evil One seeks to gain control over America and all the nations of the Earth. He seeks to subjugate every human being in the world, bringing us all into submission, making us his eternal slaves.

Virtuous warriors are needed now to fight against the Darkness. In a time like this, our Earth desperately needs the help and aid of Native Americans, who must come quickly to its defense.

We need to see a lot of the more than 4 million Native Americans taking up arms against Satan, that old Scalp-Hunter who has devastated families and lives all across the face of the Earth. He is an Invader and a Tyrant in many lands of the Earth, the Evil Ruler over many tribes and nations of the Earth. He is an Immoral and Unelected Ruler in most cases, since most nations don't even realize that he has taken control of their lives.

His trophies are too many, and it is high time that the Warriors of God rise up against him with the Sword of the

Word. Only the Word of God can dispel this great Darkness which is coming upon our lands.

Only the Sword of Christ's Light can fight back against the devils of Darkness who are invading our country! Native American warriors are greatly needed now, in this time of great emergency which has come upon the lands of Earth!

The descendants of the Christian immigrants who came to this land have grown altogether too inactive and lethargic in the fight against Satan's armies, and we have not been performing very well in the battle against the Great Darkness that is coming over the entire Earth.

Perhaps the Native Americans who live among us can now at last begin to take up the Weapons of Light, joining us in the

glorious struggle of the Warriors of God. Perhaps they will soon be showing us all how to fight courageously against the Darkness!

Show us your mettle, you Native American warriors, and let us see you fare well on the battlefield as allies of God. Let us see what you are really made of, as you now step into the field of battle. Let us watch your performance and see you fight bravely as loyal Warriors of God, as fellow combatants in His Great War Against The Devils Of Darkness!

The Word of God is a sharp and double-edged Sword of Light, and it is put into your hands when you accept Jesus Christ as your Lord and Battle Chief. When you start to understand the Word of God, you are gifted with the Weapons

of Light, and you are finally ready to start fighting off all the devils of this world.

Then you are ready for action, ready for combat, ready to make war against a host of enemies.

When you are armed with God's Word, you are finally ready for battle. Then it's time to get out the war-paint and to mark your face with it, making sure that everyone will be able to recognize you as a believer of God.

Let the enemies of God see your war-paint and be afraid, because they are about to see a warrior do battle as they have never seen it before! Let them fear your coming, because you are now ready to fight back, and you are charging forward against them on your horse, ready to take on all opponents!

Let Scalp-Hunter see you coming too, and let him know what it means. Let the ancient Enemy of God know that you are not afraid of him, because you are now a Warrior of The Most High God. You have found the Great Spirit of the Universe, and you have become a fierce fighter for His Tribe, the Tribe of Light.

Let Scalp-Hunter know that you are now one of God's children, a member of His own strong family, and he will see that you are no longer afraid of him. Let him know that you are now loyal to the Great God of the Universe, Who strengthens and enables you.

Let Scalp-Hunter be afraid instead. Let him know that you are coming after him, and that you are fully armed, because you have in your hands in the Word of God, the Sword and the

Spear of Christ's Light. You have also a leather quiver full of new arrows, Arrows of Light that you can shoot at your enemies.

The guns of your enemies will be useless against these powerful new weapons that have come into your possession.

With these new Weapons of Light that are now in your possession, you are unbeatable and unstoppable. You will know the Truth, and the Truth will set you free. With these weapons, you are invincible!

Let that old Scalp-Hunter know you are coming for him, and let *him* be afraid. You are coming to get him, and you are ready for battle.

Let him know that he is no longer welcome in your neighborhood, and he will always be chased away by you and your fellow tribesmen. Let him know that if he continues to show his face on your land, you will expose his deceit to everyone and will put an end to all his activities. No longer will you allow your brothers to be misled by his insanity.

Let him worry about his own safety, since you are a powerful Warrior of God, one of God's Warriors in the Tribe of Light.

**God's Remnant** is a tribe of loyal warriors that survives all the supernatural warfare of our Earth, and this group of humans will comprise a Special Harvest, a winning team that is the apple of God's eye. These warriors get an exalted

position with God and are individually chosen by Him— they are carefully picked out of the crowd by the Righteous Chief Himself. These warriors will compose an elite tribe that is destined for a special position under God's Developmental Program for His Universe. This is the overcoming remnant that will be victorious over our current world (which will one day be called Old Earth), and **they** are the ones whom God will use to re-populate the planet of His New Earth.

High Father God wants YOU to join the Salvation Warriors! Become one of the Best... be smart and join the winning team! It's the only way to come out on top in the end!

The alternative is to stay on the losing side... and then you'll end up at the bottom of a Pit of Fire, with a nasty chief named Satan and his ugly bunch of demonic followers. Woe, woe...

and whoa now! Stop that horse, 'cause I want to get off! Hey, that's a fate that shouldn't appeal to anyone with an ounce of good sense...

Let us reiterate...

**High Father God wants YOU to join the Salvation Warriors! Become one of the Best... be smart and join the winning team! It's the only way to come out on top in the end!**

Yeah, that's right— we're the World's Finest, the Good Guys who are "the salt of the Earth." Admittedly, we fight for truth, for what's right, and for justice... just like those "naive" police officers that a lot of people try to avoid!

So why do we end up thinking that we're "better" than all the rest? What makes us so special— what sets us apart from all the other evil sinners in the world?

Only the fact that we've accepted salvation through Christ, and have thus gotten forgiveness from our sins... and the fact that we've turned to Jesus Christ as a source of Light.

You can share the Light of Jesus Christ, can reflect His Holy Light in a Cruel World, and thus become a point of illumination in the darkness of this world.

**God's Light can become a Lamp unto your feet and a Light unto your path, if you choose to accept rescue and salvation that is available in Jesus Christ, the Only Begotten Son of God Almighty.**

You can even live to see the Light of God flowing through you and reaching out to other people in our world...!

It's time your mind was illuminated by Jesus Christ, the Holy One Who is the Light of the World!

The High God Almighty, Who is the Holy and Righteous Chief of the Warriors of Light, is looking for a few good riders. But He only wants the most virtuous and courageous warriors to join with Him as allies in the Cause of His Tribe... a tribe which He calls the Warriors of Light. You can share this wonderful light by placing Jesus Christ, **Who in the Trinity of God created our Universe**, upon a throne at the center of your heart! *He deserves that position and that kind of respect.* He was first **God The High Son**, but when born in human flesh He became the only sinless and righteous person who ever

lived. Yet He sacrificed Himself on a cross for your sake, taking all guilt and sins upon Himself, in order that you and I— that all people— **that whoever wishes for salvation might be rescued from the due punishment of sins.**

**If you will do this, you will gain a new contentment and peace as you accept God The High Father's organizational plan for the Universe . . . because you'll be letting God be the High Chief of All Things in this world . . . and in your own life.**

As a new Warrior of Light, you'll be fighting for the Holy Cause of the Highest Chief, and His campaign will be a long and difficult struggle, often dangerous to life and limb. You'll be often placed in harm's way, with no shortage of enemies to battle. You will almost certainly go through a lot of pain and

suffering for your devotion to the Righteous Chief. But it's all worth it, because the Most High rewards all His followers, sooner or later, with the Warriors' Heaven and the New Earth, which is a Warriors' Paradise.

This is promised for all of the True Believers of God.

All it really takes is a simple but sincere little prayer— one that you should make up in your own words. The prayer for deliverance and for God's leadership should come from your own heart!

**Some important elements** that you might include are:

- 1) your desire to turn away from the wrongness or evil of all your past life, and your remorse over all the sins of your previous life,
- 2) your desire for God's forgiveness and mercy through the act of sacrifice of His Only Begotten Son (Jesus Christ),

- 3) your desire to know God's leadership in your life,
- 4) your desire to learn more of God's truth through Bible study,
- 5) your desire to find fellowship with genuine believers.

**Jesus said of the people of God** that “The kingdom of heaven is like a **net** that God has cast into the sea, and it gathers of every kind: When it is full, it will be pulled up on the shore, where they will sit down to sort the catch, and they will **collect the good fish in baskets, but the bad things will be thrown away. This is the way it will be at the end of the world:** The **angels** shall come forth, and they will **separate** the unrighteous persons from among those justified by God . . .”

*Excerpt from the Book of Matthew, who was a constant companion of Jesus and his devoted disciple [13:47-50].*

**Jesus spoke of the people of God as being like a seed that is growing secretly**, saying, “As for the kingdom of God, it is as if a person should cast seed into the ground; and then he sleeps, and he rises up night and day to see that the seed is springing forth and always growing up, although he knows not exactly how. The Earth is bringing forth fruit from itself; first the blade, then the ears of corn, and after that the fullness of the ears of corn. And when all the **fruit of the Earth** has come forth, immediately God will use the sickle to reap the fields, because the **harvest-time** has come.”

*Excerpt from the book of Mark [4:26-29].*

It's also important for all of us to remember this:

- 1) **WE SPEAK TO GOD** by our prayers.
- 2) **GOD SPEAKS TO US** by the words of Holy Scripture.

So we must try to read His words and His Book just as often as we possibly can!!

*God wants to bless you for all your long efforts to understand this very confusing and difficult Universe in which we live— so let Him reward your search with the grace of His forgiveness and enlightenment!*
